RICHMOND

Where Is Portwood.

Well known Citizen of Brassfield neighborhood is missing.

The wife and children of Green D. Portwood, a well known farmer of the Brassfield neighborhood are wondering what has become of husband and father who left home on the morning of the 30th of January to go to Irvine, and up to now nothing has been heard from him. His wife is almost prostrated and fear is expressed on all sides that unless some news as to her husband's whereabouts is received soon, she will collapse. Those who know him best in the community in which he resides have advanced the theory now that he may be demented and wandered off into an adjoining county or in some wild portions of the mountains. Portwood is well known in Richmond. He is thirty three years of age, about 5 feet 8 inches, slightly stooped, black hair somewhat curly, scar from cut in forehead over left eye, large blue eyes, badly cut finger, also showing scar. When he left home he wore a black stiff hat, blue striped cotton shirt, new tan shoes. This description is given in the hope that he may be located not a great distance from home. He was for some time correspondent for the Climax. His address now is Richmond, Ky., Rt. P. D. No. 9 box 58. His domestic life, so his wife claims, has been as happy as could be, there being nothing of a strained nature at home to cause him to leave in such a manner. The day he left he was in good spirits and talked of business matters of the coming week.

John W. Sickelsmith, Greensboro, Pa. has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by Stockton & Son.

Still Missing.

Mrs. Arthur Goebel, who a few days ago was Miss Mollie Million, of Newby, this country, is still wondering as to the whereabouts of her husband, who left so mysteriously at their home in Lexington, taking with him \$500 of her money. She has returned to the home of her father, Shelby Million, near Jenkins store, about two miles from Newby and has up until to-day not heard a word from the man who fell in love with her at first sight courted her and then deserted her, after relieving her of a nice wad of money. Mrs. Goebel has been receiving the sympathies of her friends since the unfortunate occurrence and will likely institute proceedings for divorce unless she hears from her seemingly faithless lover within a short time.

Made Merry.

The Red Men's banquet last Wednesday evening, given by Floating Cane Tribe, of this city, was largely attended. Each member was allowed one pale face as his guest and about one hundred and fifty sat down to the spread, which was a big one in the Red Men camp. Prominent visitors were Mayor Hies, County Clerk Terrill, Attorney A. R. Burnham, Jr., and Dr. H. M. Blanton. Toastmaster James Wagers called on all the visitors and many of the members of the tribe and all responded in a happy frame of mind. Prof. Hoffman of the opera house orchestra, delighted the assemblage with several selections on the piano and "Cap" Dickerson, "Uncle" Charlie Covington, Emil Lorisch and "Dick" Bailey responded, after repeated calls, for a genuine old fashioned buck and wing dance.

Incorporated.

Covington & Thorpe, the grocers have incorporated under the name of "The Covington & Thorpe Company" and the third member of the firm is Mr. R. C. H. Covington, the well known member of the firm of Covington & Banks. The officers are T. T. Covington, President, R. C. H. Covington, Vice President and S. H. Thorpe, Secretary and Treasurer. The amount is \$6,500 and it will do a general retail grocery and seed business. With such excellent business men behind it, the new firm is bound to prosper and take a leading place in the commercial activities of Richmond, and Madison county. All of the three are well known in this section, having lived here all of their lives and enjoy the confidence of every residence of Madison and a wide acquaintance in adjoining counties.

For Rent.

May Run.

Col. Elbridge C. Park, hero of many political battles in Eastall county, and for many years a resident of Madison, is thinking seriously of offering himself as a candidate for the Democratic nomination for State Senator from this district, composed of the counties of Madison, Eastall, Lee and Powell. The district has always gone Republican, but Col. Park says if he can get the nomination he can secure many Republican votes in Madison and Eastall on account of his wide connections and very extensive acquaintance, and thereby offset the majority in Lee and Powell. With the Democratic vote solid, he could ride into office with ease. He declares that should his opponent in a last effort to defeat him attack his religion, he would win all the more easily.

Do It Now.

Richmond People Should Not Wait Until It Is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells, if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here is one of many cases in this vicinity. Samuel T. Greene, Holt St., Mt. Sterling, Ky., says: "I can corroborate the public statement I gave in May 1900 in favor of Doan's Kidney Pills. I cannot tell how much good Doan's Kidney Pills did me, in fact, I doubt if I would be alive were it not for them. You can continue to use my name and say that I recommend the remedy highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Startling The People.

The Kansas City Times, one of the greatest Weeklies published in this country has appointed the Climax its special agent in this section and those wishing a real live newspaper of National reputation and one with a grate state and county reputation, should come and get the Climax and Times both for \$1.25 the whole year. This offer is limited. The Climax is the recognized paper of the county. There are but few who are not on the list, but you may be one of those few.

#### New Machine

The opera house management has installed a brand new Edison moving picture machine and the films, to meet the demand, are made clear and distinct. Few people realize what ability it requires to operate a machine like this perfectly.

#### Looks Bright

Only a few dollars of the one thousand to be raised by the new ball club are now unaccounted for, and it is certain that this amount will be forthcoming today, which is the last day set for the raising of this amount. President Herrington and his assistants are elated over the generous spirit shown by the citizens, and all that remains towards the goal is a good weather. There was a fine disposition appointed by the President that week, one for each department, and the amount will be accounted for by the end of the week. The new ball club is a good one, and will give the people a good service.

### Circuit Court

Comes to a Close Today, After a Grind of Three Weeks and Two Days

The February term of the Madison circuit court will come to a close today, after being in session for the past three weeks. Of course the docket is well up, as Judge Benton keeps things on the move and there is positively no lagging or unnecessary continued cases. All last week was taken up with civil business.

One of the most twisted cases that has been on the civil docket in a long time was a suit of Eversley Broadbent against B. M. Stinger which involved 100 bushels of corn. Prominent witnesses for both sides made the case so complicated that the jury was compelled to go to the corn crib of the defendant and examine, in order to arrive at a verdict, which returned to the plaintiff a quantity of corn. The jury was given the costs to pay. In addition to \$30.50 for a little over nine barrels of corn he had already received from the plaintiff.

The jury gave a verdict of \$150 against the administrator of Dr. David Bennett in favor of Dr. Heath, who sought to recover \$2000 for medical service rendered. The commonwealth had one case Saturday, that of "Squire Williams," who was given a fine of \$25 and 10 days in jail for carrying concealed weapons. The tax suit of Berea College was called, but was continued on motion of attorneys for both sides.

#### Murray Will Ride

Attorney Murray Smith is the latest auto enthusiast in Richmond to invest in a 1911 car. Last week he purchased from the Citizen's Motor Car Company, of this city, one of its fast little 20 horse power Flanders, two-passenger, and he will enjoy the coming season with his new purchase. The above company is agent for this car in this locality.

#### Coming In

Madison county people in Florida are favoring their friends and relatives at home with boxes of oranges and grape fruit. Just think of it. Letters from the land of sunshine say all are happy and well and having a great time. Did you ever stop to think how many Madison county people spend the winter in Southern clime? And their stay away from home is made all the more happy by the weekly visits of the Climax.

Cook with Gas. Cheaper than Coal.

#### Seems a Go

The idea of a tobacco manufactory for this county is not just talk, but in all probability a reality. It will take about \$50,000 to start it, and this amount could be raised right here in Madison, but the promoters will give other counties a chance to get in on the "ground floor" and will likely spend as much as \$25,000. Prominent men in the county behind the move, Mr. Kit Chenault says it is easier to do than pool the crop of the county.

#### Missing

Another resident of the county has left home mysteriously and his family are wondering as to his whereabouts. It is Jesse Woodson Kelley, who has been a tenant on the farm of Mr. James Crutcher for the past year. Several weeks ago he left home, ostensibly to come to town for some groceries, and has not been heard from since. The family have been in dire straits and Mr. Crutcher has been keeping the wolf from the door until last Wednesday, when Kelley is said to have appeared in the morning and small children were seen with him. Kelley's absence from the county has been a great loss to the family.

### Low Rates

On account of the Southern Commercial Congress, which convenes in Atlanta on March 8th to 10th, the L. & N. will sell reduced tickets for the round trip and several will take advantage of this offer from Central Kentucky. President Taft is to be one of the chief speakers.

#### He's Tough

A lad giving his name as George M. Davis, of Jackson county, was jailed Sunday evening by Sheriff McCord, after he had loudly puffed away at a cigarette in the opera house during the local option speaking. A pair of brass knuckles were taken from him by the sheriff, and it is claimed he used pepper from the balcony to annoy the occupants of the lower floor. When questioned he said he was just here on a pleasure trip.

#### Greene Here

Mr. Robert L. Greene, of Frankfort, was in the city Saturday shaking hands with his numerous friends. He is a candidate for the Democratic nomination for Clerk of Court of Appeals, and is a sure winner. He is one of the best men in the state for the place, as he has served for years as deputy in the office. There are as yet no other announced candidates, but it is claimed that Woodson May, of Somerset, may enter the race.

#### Sheep Money

The sufferers from sheep killing dogs the past year will get about \$5 per cent. on the dollar for their claims, as the number of claims exceeded the number of dogs by about 200. Each dog is assessed at \$1 per head and there were but 1,100 to pay off damages to the amount of \$1,300. Madison was quite fortunate when it is taken into consideration that there are thousands of sheep raised in this county. The dog list shows nearly 3,000 for 1911, and if the damages hold about the same there will be enough to pay dollar for dollar.

#### To Moblie.

President J. G. Crabbe, of the Normal school, was in Mobile, Ala., last week attending the National Education Association. Kentucky was honored, with three speakers for the session of Friday afternoon, the 24th. Mr. Crabbe was leader of the Round Table discussion and prominent educators from all over the country replied to different sections of the interesting topic, which was, "A Story of Achievement and Endeavor to Co-operation." Supt. Coates was on the program, but on account of his duties here could not attend.

#### King is Lucky

The two-headed, two-bodied, six-legged monstrosity of a mule, which was foaled several days ago at Kingston and brought to the Azbill livery stable as a curiosity, will very likely make a rich man out of Contractor Jesse King. Mr. Mainhart, who officiated at the birth of the monstrosity, was presented with the freak by Mr. Azbill, the owner of the dam, but after receiving an offer of \$5,000 from Mr. King, concluded it was best for him to sell. This is where he seems to have made a mistake. Mr. King took the freak of nature to Cincinnati last week and paid \$45 to have it mounted by an expert. While there it was seen by many, and one man offered him \$500 shortly after arriving in the city. He will bring it to Richmond some time the latter part of this month, as it takes a long time to prepare the bodies for mounting. He will have it on exhibition here April day. It has received several offers, but will not sell now, realizing what a gold mine he has. He will likely quit the contracting business for the present and go to the rock with the money-making attraction.

HON. L. B. HERRINGTON

Who will shortly announce himself a candidate for the Democratic nomination for Representative, Mr. Herrington represented Madison in the last General Assembly, and his enviable record on behalf of his constituents is well known to every person in the county.

### Deaths

Few deaths have been announced in this county that caused more widespread regret than that of James C. Lackey, whose sudden demise occurred last Monday morning, about six o'clock, at his home about a mile from Richmond on the Lexington pike. He was in his sixtieth year, and a man whom everybody called a friend. Several days ago he was stricken with acute indigestion, but his family were not aware of his serious condition, as he was out in a few days and seemingly in the best of health. He was a son of the late Andrew Lackey and had lived all of his life in Madison, serving as jailer two terms, following in the footsteps of his father, who was honored with the same office many years before. Mr. Lackey was prominent in fraternal orders, being a Mason, Elk and Odd Fellow and seldom missed a meeting. His jovial spirit and popularity that it was hard for politics to defeat. His aged mother, Mrs. Margaret Lackey, survived him, having resided in Richmond for many years. Besides his wife, who was Miss Eliza Bowen, of Estill county, he is survived by four sisters, Mrs. J. D. Dykes, Mrs. H. C. Rice, Mrs. Lucy Lackey, Moore, of this city, Ohio, and Mrs. Ford, and Mr. Jay Lackey, of Richmond. The children surviving are Mrs. T. B. Collins, Mrs. Carl Todd, Mrs. W. W. Williamson, of Minnesota, and Misses B. M. Lackey, Bowen Lackey and Miss George Lackey.

Funeral services will be conducted this afternoon at the home, beginning at 5 o'clock, by Elder E. B. Barnes, his pastor, and interment will follow in the Richmond cemetery, under escort of Masonic Lodge, of which he was a member.

The news of the death of John McKenna, which occurred at his home in Lexington Thursday morning after a lingering illness, was received here with regret by many friends and relatives. He was for many years a resident of Madison. Funeral took place Saturday morning at 10 o'clock, and he was buried in the Lexington cemetery.

Mrs. Mary Owens Park was born in this county January, 1834, and was a most remarkable woman. Being blessed with nine children, she reared them all to manhood and womanhood, and when she died she had the proud distinction of knowing that fifty grand children and twelve great-grandchildren had sprung from her generation. One of her grandsons, Mr. James Park, passed away at the home of his son-in-law, J. A. Turpin, near Brookston, in the 73th year of her age. Just twenty-four hours after her demise, her brother-in-law, Mr. James Park, passed away at the home of his son-in-law, two miles from Richmond on the Red House pike. Mr. Park was 72 years of age and was also an honored citizen of the county.

MRS. PARK.

the summer of her natural life and the sting of death coming at such a time is all the more hard to understand. To those who know Miss Ann McKee, her death comes with unfeigned sorrow. Her demise occurred last Saturday afternoon at her home on West Main street, after a short illness of pneumonia. She was thirty-two years of age and a daughter of the late Owen McKee. Besides her mother, one brother, Mr. J. McKee, one sister, Miss Lydia McKee, both of this city, survive. A woman of quiet, retiring habits, modest, unassuming, of unflinching courage in the pursuit of her daily business life and absolute integrity, she held the friendship of all who came in contact with her life. Faithful to her trust, she deserved and held the unbounded confidence and respect of everyone. She died as she lived, quietly, calmly, a lovely Christian character. Following the family lineage she was a strong adherent to the Catholic faith and her funeral services were conducted at St. Mark's church Monday morning. Rev. Father John O'Dwyer, the pastor, officiating. The services consisted of Requiem High Mass, followed by Father O'Dwyer's beautiful remarks and closing with the blessing of the corpse according to the custom of the church. The remains were taken to Lexington Monday afternoon, where they were laid to rest in the Catholic cemetery, after prayer at the grave.

One of Madison county's oldest and best known women, Mrs. Mary Owens Park, passed away last Friday afternoon at 5 o'clock, at the home of her son-in-law, J. A. Turpin, near Brookston, in the 73th year of her age. Just twenty-four hours after her demise, her brother-in-law, Mr. James Park, passed away at the home of his son-in-law, two miles from Richmond on the Red House pike. Mr. Park was 72 years of age and was also an honored citizen of the county.

MRS. PARK.

liam Park, whose death occurred several years ago. A devout member of the Christian church, she had been identified with Christian work since she was sixteen years of age and her life was full of good deeds and loving kindness toward all. Five children survive her, Merrill Park, Mrs. J. A. Turpin, James Park, Mrs. Clarence Brook, of Fayette county and Thomas Park. The funeral services were conducted Sunday morning at the Turpin home by E. C. McDougle and burial followed in the Park family burying ground.

JAMES PARK  
James Park was born in this county in July, 1839, and had lived an honorable life to a ripe old age. His wife, who was Miss Margaret Denney, preceded him to the grave many years ago. In her were manifested all the virtues of true manhood, and while his life was one of quietness, yet he always stood boldly for what he thought was right. Four children survive him: Mrs. Ira Park, Mrs. Shiplon Park, Jr., Scott Park and French Park, all of this county. Funeral services were conducted by E. C. McDougle Sunday afternoon at 2 o'clock and the remains were laid to rest beside the newly-made grave of his sister-in-law in the Park burying ground.

Up Salt River.  
The boat will start up Salt River promptly at six o'clock p. m. Friday March 3d. All "Weas" will be given free passage. No others need apply.

Shouting and Whistling.  
It's all over now but the "shouting." The "Weas" are whistling to keep up their courage. Boys, let's just make it unanimous.

Lunch at The Polls.  
The ladies of Richmond will serve coffee and lunch at the polls all day Friday. All who wish to assist please notify Mrs. Dave Biggerstaff, Phone 291, residence 220 N. Second street.

Take to the Woods.  
There are a few "Weas" still in town but they are fast taking to "the tall timber." By Friday March 3d there will be very few left and they will be ashamed to show their heads so the election will be declared unanimous for the "Drys."

A Lie Nailed.  
The negro voters are being told many silly things, among which is this: that more negroes are arrested than white folks. This is a falsehood. The police records show 176 white and 118 colored arrests for 1910—or 58 more whites than blacks.

No Sunday Ball.  
A special from Maysville says: "The first step towards preventing Sunday baseball here this season was taken today when seven preachers issued a set of resolutions, calling on the people to stay away from the games. Four pastors refused to sign it. The latter are Rev. Messrs. Penn, Clarke and Haymore and Father P. M. Jones."

Richmond and Maysville are the only towns in the Bluegrass league that will not play Sunday ball, if the Maysville people decide to "cut it out."

#### False Alarm.

A wild cat of the domestic species, which had entered the kitchen at the home of County Clerk Robert Terrell last Wednesday about 10 o'clock, caused an alarm of fire to be turned in. Mr. Terrell's children heard the noise and were so frightened that Louisa, the ten year old daughter dashed out of the house and to the home of a neighbor, where she apprised them that the house was on fire. Before the other occupants of the house could intervene, the alarm was so loud and the smoke so thick, that the fire department was called. When they arrived, the fire was out and the house was safe. The cat was caught and taken to the pound.

### Busy Man.

Mat Cohen is a busy man. He was in Richmond last Wednesday and Thursday, having been summoned to the bedside of his father-in-law, Col. John Wagers. Mr. Cohen has been in twenty states and territories and also Canada since the first of the year, judging in horse and cattle shows. He goes to Fort Worth, Texas, next week as the presiding judge at the annual horse show. He came to Richmond from Kansas City and left here Thursday afternoon for a two days stay in Columbus, Ohio.

#### Beats It.

Mayor Rice is gratified to know that the financial statement of the city of Danville, fell away short of Richmond, which appeared in The Climax two weeks ago. The Richmond statement showed a balance in the treasury of over \$14,000 while Danville had but \$2,000. A friend of the Mayor's in Danville sent him a paper with the statement, but it seems as if the Danville friend had never seen the Richmond statement. Mayor Rice very quickly mailed him one.

#### Miss Allman Wins.

Miss Carrie Allman, representing the Freshman class of Caldwell High School, was the successful contestant at the annual declamatory contest held last Wednesday in the auditorium. The judges were Prof. McDougle, Prof. Johnson and Prof. McCullough, of the Normal School. Miss Allman's subject was "The Old Settler's Story" and the young lady handled it in such a masterful way, that the judges were not long in reaching a decision. Second honors went to Mr. James Cobb, representing the Junior class. The orchestra music, was a feature of the occasion and everybody was delighted with the musical program. Mr. Harold Barker, President of the Senior class, acted as chairman and introduced the speakers. Fifty dollars was taken in which goes toward paying the lighting expenses of the auditorium.

#### Too Young.

The basket ball team of the Paris High School came very near not being able to participate in its contest with the Normal School team last Wednesday afternoon. The youngsters, who compose the team, are all under lawful age, and when they arrived in Richmond they immediately hid themselves to a local pool room for a social game. It is a heavy fine to the owner for minors to be caught in a pool room and Sheriff McCord was sent by the Grand Jury to bring each one before that body to testify against the operators of the pool room. When he arrived at the gymnasium, the game was about to be started, but he had to bring the youngsters to the jury room where a patched up team was compelled to represent the Paris school.

### Home Again

Grand Master Burnam, of Kentucky Masonry, and Grand Treasurer, Stockton, of the Grand Commandery, K. T., who have been at Alexandria, Va., on official business, returned Friday much pleased with their trip. While away they visited Washington, but a determined effort to see the President proved futile. Anyhow they were shown around the Capital by Senator Paynter, and had a good time meeting prominent men from all parts of the country. Mr. Stockton never failed to let those he met know that Richmond would be in the Blue grass league this year with a winning team, and gave a general invitation to all the solons to visit the leading city of the fourth class in Kentucky, at their earliest convenience. He was sorely disappointed that he could not extend the invitation in person to President Taft. They brought home a beautiful series of post cards of the lodge room, where Washington presided, which they distributed to their friends.

#### The Judge Spoke

At the annual banquet at Winchester Thursday evening, given by the Commercial Club, Judge James Benton responded to the toast, "May Kentucky, at their earliest convenience." He was one of the strongest speakers of the evening. The judge urged a better environment for the boys, that the present generation and those to come, especially in this section, would be such that Kentucky would take her place at the leading city of the fourth class in Kentucky, at their earliest convenience. The Judge is one of the many Madison county products scattered in different sections of the state and country, who are taking prominent parts in the making of a greater nation. Winchester could hardly get along without him, and for that reason his native country is not so selfish as to wish he had not chosen the Clarke capital for his adopted home.

#### A Quiet Nap

Mr. Leslie P. Evans was awakened early Sunday morning by a terrible shaking of the front door at his residence on Lancaster avenue, and thinking a burglar had gained an entrance, he grabbed his pistol and went to make an investigation. From the rear end of the hall he could hear heavy breathing, as if someone in a dying condition. He turned on the light suddenly and stood ready to meet the intruder with his weapon, when his eyes caught sight of a well known citizen of the county lying prostrate on the floor just inside the door. He walked up to where the man lay, and a hasty examination revealed the fact that the intruder was laboring under a glorious "jag," and is supposed to have concluded he had reached his home and just "fell in." The patrol wagon, with officers Powers and Potts, was called and the gentleman was taken into custody. He had passed through the ordeal by Sunday afternoon sufficiently to be able to continue his journey homeward.
